Autumn Wonders - a rich tapestry of colors, sounds and smells in a heartwarming story and song-filled celebration of the season.

“His sense of creative dramatics make him the best storyteller I’ve ever had the pleasure to listen to... He creates an air of enthusiasm and energy.”

– Deborah Freitas, reviewer
Council of Outdoor Educators of Ontario

“The Native American story was a delight. The message was an inspiration, indeed. You instilled a lasting message by your movements, music and drama. It seemed that all ages were captivated by the thread of your stories.”

– Patience Thomas, Pine Tree State Arboretum
