**Levity in Motion** - mime, song and stories for the young and the young-at-heart; airborne exploits and other childhood flights of fancy.

*"Jackson is truly a very unique performer... one who is as adept and engaging with a group of children as he is with adults."*

– Ed Rice, reviewer  
Maine Public Broadcasting Network

*"The audience came alive during your performance. Not only did youngsters show enthusiasm, but the oldsters joined in the fun as well. As people left the theatre, they laughed and smiled joyfully."*

– Sheila Simollardes, Special Events  
Tower Hill Botanic Gardens, Boylston, MA

*"Our audience loved it! The parents and the kids were totally engrossed in the stories. Jackson's ability to create vivid mental pictures is amazing."*

– Ali Tonn, coordinator, Kids in the Crossroads  
Madison, WI Civic Center
